Hello ENCORE Families,

As we have gone through this roller coaster of a time, I can assure you that each and every student/family has been on our minds. We hope that you are all doing well. Our 'Resurgence' season of '19-'20 certainly took a different direction than any of us were planning. Through out this difficult time we are extremely grateful for all the support you have shown us! Together, we can get through this and the ENCORE Community is like no other.... We are strong and like our name states, we will keep going and we will do it again.... together.

Let's go over Summer schedule, our events coming and how we have updated our procedures!
